

Chris Scallin

Superintendent

With 20 years of industry experience, Chris is an experienced Superintendent involved in both multi-unit and commercial projects. Chris has been involved in the construction and renovation of over 1,600 housing units throughout his career. As Superintendent at D+H, he oversees all construction activity on the jobsite, and manages correspondence with clients, design team, subcontractors, and building officials on all items pertaining to the site and construction progress. Chris is responsible for implementing and maintaining practices that lead to an exceptionally high level of safety and quality of work standards.
