

Devon Mead

Assistant Superintendent

With foreman and glazier experience at Bay Area glass companies, Devon has demonstrated his ability to handle a wide range of assignments while building and facilitating productive teams. He excels in multitasking in fast-paced environments, which makes him a great fit for D+H projects.

At D+H, Devon helps plan, coordinate, and supervise on-site and off-site functions including scheduling, engineering, and material control. He also provides technical assistance for interpretation of drawings and advises on construction methods and equipment.
