

Jansen Lum

Partner

Jansen, a native of the East Bay, is a licensed architect and contractor who has been involved in design and construction management in the Bay Area for over two decades. He has a Bachelor of Architecture degree with a minor in Art History from California State Polytechnic University, Pomona. He has a background in construction management with on-site management experience. His prior position specialized in construction of multi-family housing, but he also has experience in commercial, retail, health care, institutions, and single-family. Jansen brings a unique perspective to the office, having been a design professional as well as a construction project manager.
