

Kristina Davalos

Project Manager

Kristina brings nearly a decade of construction experience, progressing from administrative support to project management through her dedication to process, organization, and client service. Before joining D+H, she managed documentation, submittals, permitting, and subcontractor coordination for a variety of multifamily and commercial projects in the Bay Area. As a Project Manager at D+H, Kristina applies her strong attention to detail and proactive communication to guide projects from preconstruction through closeout, ensuring seamless collaboration among clients, architects, and field teams.
