

Matt Zatorski

Assistant Superintendent

Matt started his career at D+H as a laborer and became highly skilled in serving as a communication liaison between foremen and crews across all trades. He is well versed in punch-list management, job site safety, and overseeing the completion of tasks to maintain construction schedules.

As an assistant superintendent, Matt helps plan, coordinate, and supervise on-site and off-site functions including scheduling, engineering, and material control. He also provides technical assistance for interpretation of drawings and advises on construction methods and equipment.
