

Scott Troop

Superintendent

A California native, Scott has worked in construction in the Bay Area since the mid '90s, beginning with carpentry work at high-end homes in the Napa Valley. He has worked as an apprentice, carpenter, foreman, assistant superintendent, closeout superintendent, site superintendent, and general contractor in both new construction and modernization. His past projects include classrooms, cafeterias, gymnasiums, libraries, administration offices, townhouses, single-family homes, and large multi-family housing projects.
